2. An Association by the name of 'Netaji Academy of Sub-continental Studies' is proposed to be formed in the Union Territory of Delhi with Dr. B.B. Dutta, MP, Rajya Sabha as its President and some academicians, musicians and some others as its office bearers. The aims and objects of the Association are broadly as follows:-

(i) To initiate, coordinate and promote the study of various problems of the Indian Sub-continent consisting of Pakistan, India and Bangladesh connected with and in regard to its geography, living and non-living resources, philosophy, art and culture, history, society, economy and polity.

(ii) To encourage people-to-people contact and exchange of knowledge and culture of the Indian Sub-continent.

(iii) Organisation of conferences, seminars, workshops, etc.

(iv) To associate with and to receive Grants-in-Aid from Universities, Government/Semi-Government and other organisations engaged in the preservation of cultural heritage and promotion of academic activities both in India and abroad.

(v) To provide information and reference services for writers, artistes, research scholars etc. and to undertake the publication of a research journal, newsletter, standard works etc.

(vi) To establish an organisational network/chapters within the country and abroad to promote the objectives of the Academy.

3. Section 3 of the Emblems and Names (Prevention of Improper Use) Act, 1950 prohibits, without the previous permission of Central Government, the use of any name which may suggest or be calculated to suggest:

i) The patronage of the Government of India or the Government of a State; or

ii) Connection with any local authority or any corporation or body constituted by the Government under any law for the time being in force.

The Ministry of Food and Consumer Affairs has accordingly forwarded the memorandum of Association of the Netaji Academy of Sub-continental Studies to MEA for advice as to:

--- Confd.

i) Whether this society has been set up or is patronised by the Government;

ii) if not, whether there is any objection to use of this name.

4. The proposed academy is yet another non-governmental effort to promote closer relations between India, Pakistan and Bangladesh. There is no indication of governmental patronage, even though the Academy proposes to seek grants-in-aid from "universities, government/semi-government and other organisations". Its aims and objects are fairly non-controversial. We may accordingly have no objection to the use of the proposed name for the academy.

5. If approved, we may communicate IPA Division's clearance to Director(Coord) who has similarly sought the comments of the BSM Division as well. In the past, we have cleared the registration of 'India-Pakistan Friendship Society' and 'Pakistan-India Peoples' Forum for Peace and Democracy (India)'.

**MINISTRY OF EXTERNAL AFFAIRS  
(IPA DIVISION)**

Reference Coordination Division's note dated 30<sup>th</sup> April, 1998 and O.M. No. 23(14)/IT/98 dated 17<sup>th</sup> June, 1998 and 24<sup>th</sup> August, 1998, received from Ministry of Food & Consumer Affairs, Deptt. of Consumer Affairs regarding clearance of the name "Netaji Academy of Sub-continental Studies" under the Emblems & Names (Prevention of Improper Use) Act, 1950.

2. We are examining this matter from three angles :-

- i. Whether the aims and objectives of the association are acceptable to us.
- ii. Whether this society has been set up or is being patrons of Government.
- iii. If not, there is no objection to the use of this name.

2. Our response ad-seriatum is as follows :-

- i. The society aims to initiate, coordinate and promote, study of various problems of the Indian Sub-continent and to encourage people-to-people contacts through organisations of seminars, conferences and workshops. Its aims and objectives are fairly non-controversial and we have no objections on this account.
- ii. There is no indication of Government patronage from the documents forwarded by the society. It, however, proposes to seek Grants-in-Aid from universities, Government/Semi Government and other organisations. The society has not been patronised by IPA Division, but we are not aware whether the society receives patronage from any other Division of this Ministry or from any other Ministry of the Government of India.
- iii. We have no objection to the use of the name "Netaji Academy of Sub-continental Studies" by the society.

4. Coordination Division may also like to confirm views of BSM Division and PP Division.

5 Delay is regretted.

MINISTRY OF EXTERNAL AFFAIRS  
(IPA DIVISION)

Reference Coordination Division's note dated 30<sup>th</sup> April, 1998 and O.M. No. 23(14)/IT/98 dated 17<sup>th</sup> June, 1998 and 24<sup>th</sup> August, 1998, received from Ministry of Food & Consumer Affairs, Deptt. of Consumer Affairs regarding clearance of the name "Netaji Academy of Sub-continental Studies" under the Emblems & Names (Prevention of Improper Use) Act, 1950.

2. We are examining this matter from three angles :-
  - i. Whether the aims and objectives of the association are acceptable to us.
  - ii. Whether this society has been set up or is being patrons of Government.
  - iii. If not, there is no objection to the use of this name.
3. Our response ad-seriatum is as follows :-
  - i. The society aims to initiate, coordinate and promote, study of various problems of the Indian Sub-continent and to encourage people-to-people contacts through organisations of seminars, conferences and workshops. Its aims and objectives are fairly non-controversial and we have no objections on this account.
  - ii. There is no indication of Government patronage from the documents forwarded by the society. It, however, proposes to seek Grants-in-Aid from universities, Government/Semi Government and other organisations. The society has not been patronised by IPA Division, but we are not aware whether the society receives patronage from any other Division of this Ministry or from any other Ministry of the Government of India.
  - iii. We have no objection to the use of the name "Netaji Academy of Sub-continental Studies" by the society.
4. Coordination Division may also like to confirm views of BSM Division and PP Division.
5. Delay is regretted.
